Thought for the weekend – To do or not to do?

Lent is a time of reflection, a time to look back on the journey we've been through over the past few months and years. It is an opportunity to reflect and see the things which we'd like to change through the grace of God. However, it is also an opportunity to see the glory that is within us, perhaps buried deeply, but there nonetheless. And as we see the things we'd like to change, and see, however dimly, the glory that is within us, we can perhaps begin to catch a clearer glimpse of what Christ has called us to be. Rather than be negative and see all the failings of our past, we can be positively encouraged and look forward with excitement to what might lie ahead on our journey with Christ. One of the reasons Jesus was able to resist temptation is because He was crystal clear about His purpose and destiny, His mission on earth and His desire to fulfil the Father's will. Overcoming temptation for Jesus was not so much about knowing what not to do; it was about knowing what should be done. Lent gives us a perfect opportunity to reflect on what we can do for God, not only what we should not do.

PRAYER FOR THIS WEEKEND: This is a prayer to inspire us as we begin the season of Lent: God of wilderness and water, your Son was baptized and tempted as we are. Guide us through this season, that we may not avoid struggle, but open ourselves to blessing, through the cleansing depths of repentance and the heaven-rending words of the Spirit. Amen.
